Gaul Road (LH Twp.) Closure

Effective Monday 08-25-2014 Gaul Road (Lower Heidelberg Twp.) will be closed to all traffic from the address 90 to the creek bridge.

My understanding is that the road is to be reconstructed (removed and replaced) so as to allow no apparatus passage in the affected area.

This should cause no appreciable hardship as the weight limit on the creek bridge is 12 ton.

The area is in the process of being developed as multiple housing units with the farm house being restored and sold as a unit in the development.

The remainder of the area will be undergoing major renovations; caution should be used at all times when operating in the area.

The address of the farm and the construction office will be 91 Gaul Rd.

All addresses below, and including 70 Gaul Rd. must be accessed from Penn Ave. The only other address in existence between the creek bridge and Faust Rd. is 140 Gaul Rd, which must be accessed from Faust Rd.

Further information will be forwarded when available.
