

WESTERN BERKS FIRE DEPARTMENT

REFLECTIVE ADDRESS SIGN PROGRAM

Finding a home or business during a nighttime emergency can be difficult on darkened roads with little or no street lights. Many of the roads in the communities we serve are in rural areas that make it difficult to locate the correct address without the proper markings. In an effort to help us help you, the Western Berks Fire Department is offering reflective address signs.

The signs are customized with the house or business number and can be mounted either vertically or horizontally on the mailbox post or other surface. The signs are \$17.00 each and are available in less than two weeks.

To order your customized sign, please complete the information below and mail with a check or money order in the amount of \$17.00 to:
